

## PHOTOGRAPHIC SERVICES

### COMMERCIAL PHOTOGRAPHIC SERVICES

*Architectural Photography* - Interior and exterior property photography using digital media.

All images are posted to [www.bellingerphoto.com](http://www.bellingerphoto.com) in a variety of formats including magazine/newspaper and MLS ready images.

Please see our informational handouts:

- [Property Photography Checklist](#)
- [Property Photography Scheduling & Policy Information](#)

*Commercial Photography* – Model, Product, Industrial, Advertising, Editorial, Corporate, Medical and Celebrity photography both on location and in the studio. All imaging is provided in high resolution digital media in a variety of formats for use in magazines, newspapers, corporate brochures, and advertising materials.

### ACTION PHOTOGRAPHIC SERVICES

*Sport and Event Photography* - Our photographers capture the entire event on digital media.

Customers access images at [www.sactionphoto.com](http://www.sactionphoto.com) to order prints, download graphic images or order specialty items.

*Action Portrait Photography* - Player(s) is/are identified pre-game and our photographers capture action throughout the event. Using digital darkroom editing, high resolution portraits are produced of the individual player(s).

### CUSTOM DIGITAL DARKROOM EDITING

Using digital editing programs (i.e., Adobe Photoshop CS3) digital images are enhanced for a more perfect image. For more sophisticated/advanced digital editing, we use Justin Panson at [Confluence Studio](#).

### COST AND BUDGET

Photography rates vary between types of jobs we offer.
